Docket No.: CP1-042CN2
(PATENT)**IN THE UNITED STATES PATENT AND TRADEMARK OFFICE**In re Patent Application of:
Gary L. Johnson

Application No.: 10/728019

Filed: December 3, 2003

For: **METHOD AND PRODUCT FOR REGULATING
APOPTOSIS**

Confirmation No.: N/A

Art Unit: 1646

Examiner: Not Yet Assigned

MS PETITION
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450**PETITION REQUESTING GRANT OF ORIGINAL FILING DATE
PURSUANT TO 37 C.F.R. §1.10**

Dear Sir:

Enclosed is documentation supporting that the above-referenced application was deposited with the U.S. Postal Service on December 3, 2003 and was inadvertently date-stamped as deposited on December 4, 2003. Applicants hereby request that this application be granted a filing date of December 3, 2003, the actual United States Postal Service ("USPS") deposit date, pursuant to C.F.R. §1.10. The aforementioned filing date should be granted as the entire specification, Drawing, Sequence Listing, filing fee and acknowledgement postcard were submitted on the aforementioned date.

In support of their request, Applicants attach hereto copies of the following documents as evidence of the actual filing date of December 3, 2003 for the above-referenced application:

- (1) a true copy of the "Express Mail" mailing label No. EV 309882195 US, bearing the "date in" of December 3, 2003 and also bearing the official United States Postal Service/ BOSTON, MA 02205 date stamp of December 3, 2003 in the upper right-hand corner of the Express Mail label, indicating that the application package was in fact deposited with the United States Postal Service "Express Mail Post Office to Addressee" on December 3, 2003;

Application No.: 10/728019

Docket No.: CPI-042CN2

(2) A copy of the executed Transmittal Form which was filed with the Application on December 3, 2003.

Also enclosed is a copy of the return receipt postcard which indicates that the incorrect filing date was date-stamped on the postcard, and also the official Filing Receipt which subsequently issued in this application with the incorrect date. Applicants hereby request that a corrected official Filing Receipt be issued with the corrected filing date of December 3, 2003.

The above-referenced items (1) and (2) are true copies, and conclusively establish that the instant application was deposited with the United States Postal Service "Express Mail" on December 3, 2003 and is therefore entitled to a filing date of December 3, 2003.

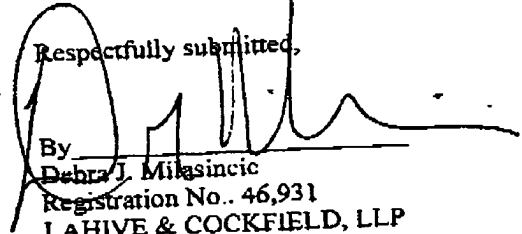

In summary, Applicants respectfully request that the present Petition be granted and that the filing date of this patent application be December 3, 2003.

Please contact the undersigned at 671-227-7400 with any questions.

Applicant believes no fee is due with this request. However, if a fee is due, please charge our Deposit Account No. 12-0080, under Order No. CPI-042CN2 from which the undersigned is authorized to draw.

Dated: August 20, 2004

Respectfully submitted,

By

Receipt is acknowledged of this regular Patent Application. It will be considered in its order and you will be notified as to the results of the examination. Be sure to provide the U.S. APPLICATION NUMBER, FILING DATE, NAME OF APPLICANT, and TITLE OF INVENTION when inquiring about this application. Fees transmitted by check or draft are subject to collection. Please verify the accuracy of the data presented on this receipt. If an error is noted on this Filing Receipt, please write to the Office of Initial Patent Examination's Filing Receipt Corrections, facsimile number 703-746-9195. Please provide a copy of this Filing Receipt with the changes noted thereon. If you received a "Notice to File Missing Parts" for this application, please submit any corrections to this Filing Receipt with your reply to the Notice. When the USPTO processes the reply to the Notice, the USPTO will generate another Filing Receipt incorporating the requested corrections (if appropriate).
